

OFERTA PRACY

Global leader in providing managed e-commerce services

Junior DevOps (Linux) Engineer in Katowice

Nexway helps software vendors monetizing their digital goods. We enable "Commerce As a Service" with some of the best breed of new technology and solid assets, gathered through 15 years of practice. Awarded with Red Herring TOP 100 2014, and labeled as a "Fast Growing company" by media, we are looking for a next DevOps engineer.

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or veteran status.

We need you to:

- Design, Scale and Heal our private cloud with Infrastructure-As-Code in mind
- Implement logging, monitoring and alerts based on cloud-based systems
- Optimize, Script and Automate any repetitive tasks slowing Delivery Process
- Interact in an Agile environment

We'll buy any bundle of these fine skills:

- Strong closeness and practice of Linux OS
- Good grip on Containers / Services abstractions (Docker, Swarm)
- Strong scripting track record (Bash, Golang, PHP, Java)
- Knowledge of Continuous Integration/Development (Jenkins)
- Experience with configuration management tools (Ansible preferred)
- Excellent communication skills, written and verbal

Nice things to know (not mandatory, you can catch on):

- Experience with Atlassian tools : JIRA, Confluence
- Fluent in Git / GitHub concepts (Pull Request/Branch/Fork)

You can expect to work in a PHP + Golang + Java environment. We have some Bash scripts, and a grain of Ansible playbooks to glue things together. You'll have a choice of Mac or PC for your laptop. You pick your own code editor, tools, etc. where you're the most comfortable.

You will be located at Katowice, Poland. You can visit us in Paris anytime when we move into our brand new offices around November. The new offices are flooded with natural light, and feature view on the Eiffel Tower!

How to apply:

Please send in your CV in Polish or English to mrudnicki@nexway.com and we will talk back to you shortly. Make sure to enclose the following clause:

"Wyrażam zgodę na przetwarzanie moich danych osobowych dla potrzeb niezbędnych do realizacji procesu rekrutacji (zgodnie z ustawą z dn. 29.08.1997 roku o Ochronie Danych Osobowych Dz.Ust.Nr.133 poz.883)"
